An exhaustive and detailed catalog of **30 major agricultural welfare schemes** implemented in Tamil Nadu, complete with descriptions, exact eligibility parameters, and designated contact points, is outlined below.

1. PM-KISAN (Pradhan Mantri Kisan Samman Nidhi)

- **Description:** Central sector scheme providing direct financial income support of **₹6,000 per year** (in three equal installments of ₹2,000) directly to bank accounts via Direct Benefit Transfer (DBT) to help farmers procure seeds, fertilizers, and inputs.
- **Eligibility:** All landholding farmer families across Tamil Nadu with cultivable land holdings (Institutional landholders, income-tax payers, and government employees are excluded).
- **Whom to Contact:** Village Administrative Officer (VAO), Block Development Officer (BDO), or local **Assistant Director of Agriculture (ADA)**.

2. PMKSY - Per Drop More Crop (Micro Irrigation Scheme)

- **Description:** Encourages water-use efficiency through heavy capital subsidies for installing **drip and sprinkler irrigation systems**, automated control valves, and sub-mains.
- **Eligibility:** All farmers owning agricultural land with a verified irrigation source (borewell or open well). Small and marginal farmers receive up to 100% subsidy for specified acreage limits, and others receive up to 75%.
- **Whom to Contact:** Assistant Executive Engineer (Agricultural Engineering Department) at the block level.

3. Revamped Pradhan Mantri Fasal Bima Yojana (RPMFBY)

- **Description:** Comprehensive crop insurance scheme safeguarding farmers against financial loss due to pre-sowing to post-harvest crop failures caused by natural calamities, droughts, floods, or unseasonal rains.
- **Eligibility:** All farmers growing notified food crops, oilseeds, and commercial/horticultural crops, including tenant farmers and sharecroppers.
- **Whom to Contact:** Local Primary Agricultural Cooperative Credit Societies (PACCS), nationalized banks, Common Service Centres (CSCs), or Joint Director of Agriculture.

4. Sub-Mission on Agricultural Mechanization (SMAM)

- **Description:** Provides **40% to 50% capital subsidies** to make heavy machinery accessible, reducing labor dependency and encouraging modern farming practices.
- **Eligibility:** Individual registered farmers (preference for small/marginal, women, and SC/ST farmers) and registered Farmer Producer Organizations (FPOs) / Custom Hiring Centres (CHCs).
- **Whom to Contact:** Executive Engineer (Agricultural Engineering) at the district level or Assistant Executive Engineer at the sub-division level.

5. Chief Minister's Solar Powered Pumpsets Scheme

- **Description:** Subsidizes the installation of standalone **solar-powered irrigation pumpsets (3HP to 5HP)** to free farmers from conventional grid connection dependencies and power outages in remote areas.
- **Eligibility:** Farmers owning agricultural land with a valid water source who lack grid

electricity service connections from TANGEDCO.
- **Whom to Contact:** Assistant Executive Engineer, Agricultural Engineering Department (AED) in your block.

6. Soil Health Card (SHC) Scheme

- **Description:** Periodic collection and laboratory testing of farm soil every three years to provide customized, digitized fertilizer and soil-amendment recommendations.
- **Eligibility:** All farming households and landholding cultivators across Tamil Nadu.
- **Whom to Contact:** District Mobile Soil Testing Laboratories or local Agricultural Extension Centres (AEC).

7. Kisan Credit Card (KCC) Scheme

- **Description:** Institutional revolving credit up to ₹3 lakh at low-interest rates (effective 4% per annum with prompt repayment incentives) for short-term crop cultivation and post-harvest expenses.
- **Eligibility:** All individual owners, tenant farmers, oral lessees, and Joint Liability Groups (JLGs).
- **Whom to Contact:** Nearest commercial bank, regional rural bank (Tamil Nadu Grama Bank), or PACCS.

8. Annal Ambedkar Agricultural Assistance Scheme

- **Description:** Dedicated social equity scheme providing fully subsidized agricultural wells, community borewells, and an **extra 20% financial bonus** on machinery and inputs.
- **Eligibility:** Farmers belonging strictly to **Scheduled Caste (SC) and Scheduled Tribe (ST)** communities in Tamil Nadu.
- **Whom to Contact:** Block Agricultural Extension Centre (AEC) or district Adi Dravidar and Tribal Welfare office.

9. Tamil Nadu Millet Mission

- **Description:** Promotes nutri-cereals (Ragi, Cholam, Cumbu, and minor millets) through high-yielding seed distribution, cluster demonstrations, and capital subsidies for small-scale processing units.
- **Eligibility:** All farmers cultivating millets in designated agro-climatic zones of Tamil Nadu, with priority given to small-scale growers.
- **Whom to Contact:** Block-level Agricultural Officer (AO) or Assistant Director of Agriculture (ADA).

10. Nel Jeyaraman Traditional Paddy Conservation Mission

- **Description:** Revives and multiplies rare, indigenous Tamil Nadu traditional rice varieties (such as Karuppu Kavuni, Mapillai Samba, etc.) by supplying pure source seeds through State Seed Farms.
- **Eligibility:** All progressive farmers interested in organic or traditional biodiversity conservation and contract seed multiplication.
- **Whom to Contact:** District Joint Director of Agriculture or Assistant Seed Officer at the block level.

11. Chief Minister's Dryland Development Mission

- **Description:** Focuses on converting dryland farming vulnerabilities into secure yields via cluster-based soil and moisture conservation, watershed treatments, and input distribution.
- **Eligibility:** Small and marginal dryland farmers operating within notified dryland clusters.
- **Whom to Contact:** Assistant Director of Agriculture (ADA) in dryland-heavy blocks.

12. Sustainable Cotton Cultivation Mission

- **Description:** Boosts the production, acreage, and yield of long and extra-long staple cotton varieties to feed the state's textile spinning mills.
- **Eligibility:** Cotton-cultivating farmers adopting line-sowing and Integrated Pest Management (IPM) in designated districts.
- **Whom to Contact:** District Joint Director of Agriculture (Cotton Cell).

13. Tamil Nadu Mission for Sustainable Green Cover in Farm Lands

- **Description:** Promotes agroforestry and supplementary farm income by distributing high-value economic tree saplings at **100% subsidy**.
- **Eligibility:** All farmers across Tamil Nadu willing to plant border or block tree crops on their agricultural lands.
- **Whom to Contact:** District Forest Officer (DFO) or local Horticulture/Agriculture Extension Center.

14. Kalaignarin All Village Integrated Agricultural Development Programme (KAVI-ADP)

- **Description:** Transforms village panchayats into self-sufficient units through water body rejuvenation, wasteland development, and fruit sapling distribution.
- **Eligibility:** All farming households residing in selected village panchayats under the annual program rollout.
- **Whom to Contact:** Block Development Officer (BDO) or local Agricultural Officer.

15. Chief Minister’s Uzhavar Pathukappu Thittam (Farmer Social Security Scheme)

- **Description:** Comprehensive welfare package providing financial aid for natural deaths, accidental insurance compensation, educational scholarships for children, and marriage assistance.
- **Eligibility:** Registered agricultural laborers and small/marginal farmers aged 18 to 65 years enrolled under the scheme.
- **Whom to Contact:** Tahsildar at the Taluk Office or local Social Security Scheme Wing.

16. National Food Security Mission - Rice (NFSM-Rice)

- **Description:** Bridges productivity gaps through cluster demonstrations, distribution of high-yielding hybrid seeds, and micro-nutrients.
- **Eligibility:** All paddy-cultivating farmers in designated NFSM rice districts, with priority for small/marginal and women farmers.
- **Whom to Contact:** Block Agricultural Extension Centre (AEC).

17. National Food Security Mission - Pulses (NFSM-Pulses)

- **Description:** Promotes pulse block demonstrations, line-sowing equipment, and plant protection chemicals to enhance protein security.
- **Eligibility:** All farmers cultivating pulses in targeted districts.
- **Whom to Contact:** Block Agricultural Officer (AO).

18. National Food Security Mission - Oilseeds (NFSM-Oilseeds)

- **Description:** Expands groundnut, sunflower, and sesame cultivation through distribution of block-demonstration kits and micro-nutrients to reduce edible oil imports.
- **Eligibility:** Farmers growing oilseed crops in notified districts.
- **Whom to Contact:** Local Agricultural Extension Centre.

19. Seed Village Programme

- **Description:** Enhances the replacement rate of quality seeds by distributing certified high-yielding variety (HYV) seeds at subsidized rates through village centers.
- **Eligibility:** All farmers, with priority given to small, marginal, and women farmers.
- **Whom to Contact:** Assistant Agricultural Officer (AAO) at the village level.

20. Mission for Integrated Development of Horticulture (MIDH - TN)

- **Description:** Subsidizes protected cultivation (polyhouses/net houses), hybrid vegetable production, and commercial flower cultivation.
- **Eligibility:** All commercial horticulture and vegetable growers in Tamil Nadu.
- **Whom to Contact:** Deputy Director / Assistant Director of Horticulture at the district/block level.

21. Farm Pond and Check Dam Construction Scheme

- **Description:** Offers financial subsidies for excavating farm ponds to harvest rainwater, improve soil moisture, and recharge local groundwater tables.
- **Eligibility:** Farmers owning patta land located within targeted watershed or drought-prone blocks.
- **Whom to Contact:** Executive Engineer / Assistant Executive Engineer (Agricultural Engineering Department).

22. Paramparagat Krishi Vikas Yojana (PKVY)

- **Description:** Promotes commercial organic farming clusters, Participatory Guarantee Systems (PGS) certification, and packaging/branding support.
- **Eligibility:** Groups of farmers forming an organic cluster of at least 20 hectares (50 acres).
- **Whom to Contact:** Joint Director of Agriculture / State Organic Certification Department.

23. National Mission on Edible Oils - Oil Palm (NMEO-OP)

- **Description:** Provides planting material subsidies, maintenance grants, and intercropping assistance for farmers taking up oil palm cultivation.
- **Eligibility:** Farmers possessing assured irrigation facilities in identified oil-palm-feasible districts.
- **Whom to Contact:** Assistant Director of Agriculture (Horticulture/Agriculture crop coordinator).

24. Agricultural Marketing Infrastructure (AMI) & Rural Godowns Scheme

- **Description:** Capital investment subsidies for building scientifically sound rural storage godowns, cold storage units, and drying yards to prevent distress sales.
- **Eligibility:** Individual farmers, FPOs, cooperatives, and agricultural entrepreneurs.
- **Whom to Contact:** Secretary of the local Regulated Market Committee or District Marketing Officer.

25. Kisan Drone Promotion Scheme (Namo Drone Didi)

- **Description:** Financial assistance and training grants for cooperatives, FPOs, and women self-help groups to operate agricultural drones for liquid fertilizer and pesticide spraying.
- **Eligibility:** Registered FPOs, cooperative societies, and rural women self-help groups (SHGs).
- **Whom to Contact:** District Joint Director of Agriculture / State Agricultural Engineering Department.

26. Western Ghats Development Programme (WGDP)

- **Description:** Implements soil conservation, bench terracing, gully plugs, and check dams with high grant mechanisms in hill ecosystems.
- **Eligibility:** Farmers whose lands lie within designated Western Ghats watersheds.
- **Whom to Contact:** Superintending Engineer / Executive Engineer, Agricultural Engineering Department (WGDP wing).

27. Hill Area Development Programme (HADP)

- **Description:** Environmental conservation and agricultural stabilization projects tailored for fragile hill ecosystems like The Nilgiris.
- **Eligibility:** Land-owning farmers operating in designated hill area blocks.
- **Whom to Contact:** Joint Director of Agriculture / Agricultural Engineering Department (HADP division).

28. Distribution of Micronutrient Mixtures

- **Description:** Subsidized distribution of crop-specific blended micronutrient formulations (for paddy, sugarcane, millets, and groundnut) to correct hidden hunger in soils.
- **Eligibility:** All farmers experiencing localized micronutrient deficiencies.
- **Whom to Contact:** Block Agricultural Extension Centre (AEC).

29. Agri-Clinic and Agri-Business Centres (ACABC) Scheme

- **Description:** Credit-linked capital subsidies for agricultural graduates to establish private extension centers, soil-testing labs, or input supply businesses.
- **Eligibility:** Graduates in agriculture and allied sciences, life-science graduates, or diploma holders.
- **Whom to Contact:** National Institute of Agricultural Extension Management (MANAGE) trained state nodal bank branches or District Agriculture Joint Director office.

30. Uzhavar Sandhais (Farmers' Markets) Modernization

- **Description:** State-managed direct-to-consumer marketplaces providing rent-free

stalls, weighing scales, and storage infrastructure for farmers to sell produce directly to urban consumers.

- **Eligibility:** Genuine local farmers and grower associations holding valid farmer identity cards issued by the department.
- **Whom to Contact:** Administrative Officer of the local Uzhavar Sandhai or District Agricultural Marketing Officer.
